Boro Doubleheader for Memorial Day

Narberth's League Season to be "Officially" Opened in Morning

TEAM WINS AND LOSES

Although Narberth has taken part in three Main Line League games, one of which was played on the borough diamond, the home season will open officially tomorrow morning when Gene Davis' charges tangle with Gladwyne. Burgess John R. Hall will throw out the first ball.

The Davismen met and bowed to Berwyn, 2-1 last Sunday here, but the officers had decided to postpone the opening-day festivities until Memorial Day. So tomorrow the borough nine will swing into action somewhere in the neighborhood of 11 o'clock, following the usual parade and flag raising.

Malvern Tough

After a hasty lunch Davis' defending champions will return to clash with the fast-stepping new entry, Malvern. Charley Madden's array defeated Berwyn and Coatesville last week-end and will be a tough club to lick because Madden is a master mind in keying up any team.

At present the borough nine is resting uncomfortably in fifth place, having won one game and lost two. The Davismen traveled to Coatesville last Saturday and defeated Perk Richards' team, 10-5 in a hectic slugging match.

For excitement, the Berwyn game was the more important, since it brought together the Main Line's oldest independent rivals. As it turned out Narberth threw away the game by committing a costly error and being charged with a passed ball in the third inning. Berwyn scored twice, to wipe out a one run lead Narberth had gained in the opener on doubles by Johnny Brennan and Buddy Walker.

In the fatal third Monastero, Berwyn shortstopper, poked a single and was sacrificed to second by Angie DeShula. Then up stepped Charley Spellman, Berwyn pitcher. Spellman lifted a high fly to right field which would have been nothing more than

The Political Pot

With the Republican national convention but ten days away, political activity in a verbal way is at low ebb. What the leaders may be doing in secret is another matter that will not be disclosed until the Cleveland session. There it is expected Governor Alf Landon, of Kansas, will lead on the first ballot, but not with anywhere near a majority. Only the guessers are saying what will happen after that although it is admitted the Kansas is the overwhelming popular choice of G. O. P. voters.

Governor George H. Earle last Friday was elected national committeeman and chairman of the Pennsylvania delegation that will cast 72 votes for President Roosevelt, by the State Committee and national convention delegates assembled at Harrisburg. While Governor Earle was getting the honor over the head of Matthew H. McCloskey, Jr., Lower Merion contractor boss, the State Democratic meeting credited its previous victories to the "stupidity" of the Grundy-Taylor-Pew leadership of the Republican party in Pennsylvania.

A true bill was found by the Montgomery County Grand Jury Tuesday against Ralph Meaney, a Pennsylvania State official, of East Spring avenue, Ardmore, and Dennis J. Sullivan, Rosemont, a former Main Line newspaper man, on the charges of forging names on an election petition for the nomination of committee woman in the Wynnewood district.

This column's effort to obtain from its readers a long list of New Deal alphabetical agencies fell flat. Apparently the readers, also, feel the list would be too much of a tax on memory and research facilities during warm weather. However, a reply was received, as follows:

"The Political Pot:

"I list all the New Deal agencies you could think of as the best things the United States ever had or ever will have. I think that President Roosevelt is the best president we ever had.

"B. H. KERRIGAN, "Bryn Mawr."

Main Line to Honor Veterans With Parades, Open House, Baseball Games

Parades, open house at veterans' post homes, baseball games and decoration of graves on the Main Line will honor the memory of former service men of the United States tomorrow, Memorial Day.

In Narberth the annual parade will start at 9 A. M. from Elm Hall and end at the Community Playground. There, about 10:30, a joint flag raising by the Harold D. Speakman Post, American Legion, and the Narberth baseball team will be held, followed by the morning baseball game. An afternoon game will also be staged.

Marchers will include members of the Legion post, Legion Auxiliary, Gold Star Mothers, G. A. R., D. A. R., Borough Council, Narberth Fire Company, Mulieres, Boy Scouts, Girl Scouts, Narberth Cub Pack, children from the public and parochial schools and, as a special feature, the drum and bugle corps of the Huston Post of Germantown.

On Sunday morning members of the Narberth Legion will attend ser-

vices at the Narberth Presbyterian Church.

The cannon dedication will not be held Memorial Day, but probably on July 4. Milton R. Yerkes, Bryn Mawr civil engineer, is now making a survey prior to placing the cannon with the other units of the memorial group at the playground.

Memorial Day Committee for Narberth is William H. Durbin, chairman; Henry A. Frye, John C. Clark, Roland K. Hewitt and Gordon Wunder.

A community day is planned by the Merion Post, American Legion, for Memorial Day. Open house will be observed on the afternoon of the holiday at the War Tribute House, Hazelhurst avenue, Merion.

A baseball game between the Merion Scouts and a Legion team will be a feature of the day. A demonstration of scout work will be given also. Ice cream and cakes will be served children and beer and pretzels dispensed to adults.

Bala-Cynwyd's observance of Memorial Day will feature ceremonies at the War Memorial at Bala avenue and Conshohocken State road, sponsored by the Thomas Vandiver Post, American Legion, at noon on Memorial Day.

The post home on Bala avenue will be open throughout the afternoon and evening for members and their guests.

A wreath will be placed on the memorial tablet and graves of fallen comrades in nearby cemeteries decorated. Boy Scout troops of the community will participate in the ceremonies.

Speaker at the exercises will be the Rev. Franklin Duncombe, pastor of the Bala-Cynwyd M. E. Church.

The Bryn Mawr veterans groups and their young associates will take part in a parade from the Bryn Mawr War Memorial to the Bryn Mawr Fire House.

Upon their return to the Community Center, veterans will visit the graves of departed comrades to decorate them with flowers and wreaths. Visits will be made to the Church of the Redeemer churchyard, the burying ground of Lower Merion Baptist Church and Radnor Methodist Episcopal Church, Garrett Hill.

Delinquent Collector to Go After Boro Taxes

Narberth residents who have failed to pay 1935 per capita taxes may soon expect a visit from a delinquent tax collector, who will assess additional charges. This was revealed this week as the time drew near for Edwin P. Dold, local tax collector, to file his bond for this year's collections. Last year's taxes must be cleared up before the new bond is issued.

Despite a number of warnings, including an advertisement calling attention to the necessity of paying the taxes, some residents have failed to respond. As a result the delinquent accounts will be taken out of Mr. Dold's hands June 1 for the attention of a deputy collector.

Edison Talk at Rotary

An outline of the plans of the Thomas A. Edison Foundation was given by A. L. Donnelly, Highland Park, before the Bala-Cynwyd-Narberth Rotary Club on Tuesday at the Overbrook Golf Club.

A \$5,000,000 fund in honor of Edison's memory is being set up, Mr. Donnelly said, the interest of which is to be used annually to provide grants or scholarships to 100 young men and women showing a scientific bent. A. J. Esrey, president-elect, was chairman.

Rechosen Class President

Miss Louise Woodcock, daughter of Mrs. V. R. Woodcock, Narberth, a member of the freshman class at Hood College, Frederick, Md., was recently re-elected president of her class for the coming year. Miss Woodcock is a member of the Freshman Commission, which is the freshman honor society; the science club, the choir and of her class basketball and hockey teams.

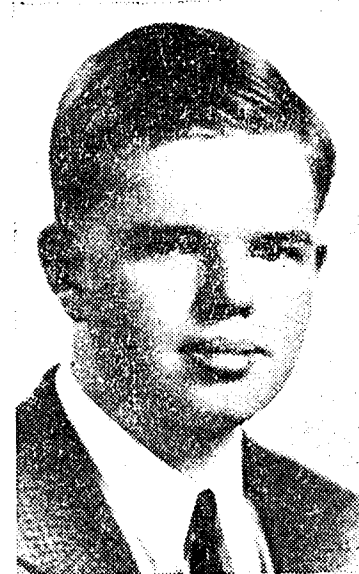

Dessert Luncheon

A dessert luncheon and card party will be given by the House Committee of the Women's Community Club at the home of Mrs. George B. Supplee, 315 Woodside avenue, Tuesday, June 2, at one o'clock. Phone Narberth 2479-J for reservations.

Honor Students at L. M. Commencement June 5

JOY VIRGINIA GRUBBS daughter of Mr. and Mrs. H. C. Grubbs, 515 Prescott road, Merion, who is Lower Merion's valedictorian. She is a member of the Student Council, Hi-Y, French Dramatic and Debating Club, managing editor of the Merionite, Honor Society and Senior Play.

Lower Merion Ivy Day

Ivy Day, a traditional Lower Merion High School custom, will take place Wednesday afternoon at 1:30. Bill Humes, vice-president of the Honor Society and Editor-in-Chief of the Merionite, has been selected Ivy Oration.

Reading of the class poem by Roberta Cleaver, and presentation of the class gift by Francis Mowery, class treasurer, to Principal George H. Gilbert, who will receive it in behalf of the school, are features.

Paul Chandler will deliver the Mantle Oration in which he will hand over his cap and gown to the incoming senior class president. He will then plant the ivy assisted by Thomas McMahon, Spade Man, and Mary Griffith, Ivy Bearer.

The baccalaureate sermon will be given Sunday evening in the Senior High School auditorium at 8:15. Dr. A. E. Clattenburg, of St. John's Episcopal Church in Cynwyd, will deliver the sermon and benediction.

The invocation and prayer will be given by the Rev. Allan Frew, of the Ardmore Presbyterian Church. Every year it is the custom to hold a religious service for the seniors the Sunday before commencement.

The chorus will sing "As Torrents in Summer," by Edward Elgar, and a vesper hymn, "Softly Now the Light of Day," by Gottschalk. Parents and friends of the graduates will make up the audience.

Leonard Warren won the boys' extemporaneous speaking contest and participates actively as a member of the band and orchestra since his entrance in this school.

The annual spring recital by the pupils of Margaret Squier will be held on Friday, June 5, at 7.30 P. M. in the Holy Trinity Lutheran Church. Pupils ranging in age from 4 to 12 will play solo, trio, quartet and two piano numbers.

An interesting feature of the evening will be a demonstration of the ease and facility with which even beginning pupils can create their own music through lyric improvisation.

The concert will conclude with a concerto, introduction and allegro by Godard played by Margaret Squier, with Murray Robertson at the second piano, and the chorus choir of the church singing Victor Herbert's "Italian Street Song" from "Naughty Marietta."

Enjoy Musical Evening

A very successful musical evening was enjoyed Tuesday at the home of Mrs. Mildred W. Baily, 523 Dudley avenue, teacher of piano and voice. Piano numbers were given by Mary Tripician, Mary Baily, Helen Best, Billy Cortright, George Bailey, Dora Enz and Kathryn Baily, and vocal selections by Kathryn Baily and Charles Westman.

Shull is Secretary

Alvin E. Shull, 2437 Bryn Mawr avenue, Ardmore, head of the Shull Lumber Company, has recently been elected secretary of the Philadelphia Reserve Supply Company, 23d and Cherry streets.

This corporation performs the same function for the retail lumbermen as the Frankford Grocers Association and Philadelphia Wholesale Drug do for their membership. This eliminates the necessity of carrying certain "Specialty Items" in actual stock, as they can always be obtained on short notice.

The Rev. Archer E. Anderson, pastor of the Narberth Presbyterian Church, was the speaker at the Ardmore Rotary Club meeting yesterday. His subject was "Guatemala."

Durbin & Howard to Move Tuesday—"Station Circle"

Durbin & Howard next Tuesday will move their real estate office from Narberth avenue, where they began business July, 1926, to what they have called "Number one, Station Circle"—the remodeled rear of Shea's Pharmacy, where White's Sweet Shop for years maintained a bakery.

William S. Durbin, a Narberth resident 30 years, is secretary of the Bala-Cynwyd-Narberth Rotary Club, a member of Borough Council, director of the fire company, and well-known athlete. William H. Howard, graduate of Medico Chi, opened his pharmacy, 1915, at 238-40 Haverford avenue, selling the store June, 1925. He is active in Rotary and the Narberth Building and Loan, and is vice-president of the fire company.

Narberth Co-Operative Club Organized for Buying

With the adoption of by-laws Monday evening at the home of Miss Ellen Brinton, 127 Merion avenue, the "Narberth Co-operative Club" became a reality.

Plans for purchasing by the club on Rochdale principles will proceed as rapidly as practical. These principles are: (1) Open membership, with each member having one vote and no voting by proxy. (2) Capital shall be employed at a fair rate of interest decided upon by the club. (3) Earnings are to be distributed to the consumer in proportion to his purchasing.

The first stated meeting under the new by-laws will be next Monday evening at the home of Mrs. Ralph Dickie, 114 Chestnut avenue. Anyone interested in knowing more about the consumer movement and its social implications is invited to attend.

News of Troop 8

The girls of Troop 8 began the three weeks' camp training last Tuesday evening. This course precedes the overnight hike June 12, which will officially close the current year's activities.

Since the majority of scouts have not yet been on an overnight trip, quite some time was spent in telling the younger girls what to do and how to prepare for this trip. Two patrols, which will work together from now until after the hike, were chosen, and Elizabeth Foltz and Deborah Smedley were put in charge. Each group then planned the program and meals for the entire period they will be away.

Next week the troop will go on a supper hike, where the girls will learn how to pitch a lean-to and roll a pack. The scouts will receive a complete list of all equipment needed for the trip.

Every girl planning to go must be present at at least one of the meetings preceding the trip to receive preliminary training.

Troop 8 will march in the Memorial Day parade on Saturday. The scouts who are going to march must bring written permission from home.

Have Flower Booth

Annual meeting of the Penn Valley Garden Club will be held June 8 at the home of the president, Mrs. John A. Lafore, Penn Valley Farms. A buffet luncheon will follow and an entertaining program.

Members of the club are in charge of the flower booth at the Devon Horse Show this Friday. They also will have charge of the flowers for the flowerless booth on the Parkway Fridays during the month of June.

Announce Garden Party

The annual garden and bridge party of the Dr. Benjamin Rush Chapter of N. S. D. A. R. will be held on the lawn of the home of the newly elected regent, Mrs. Franklin R. Lindsay, 61 Wynnedale road, Narberth, at 2 P. M. June 16. Tickets, 50 cents. Reservations may be made by calling Narberth 2494.

Barrie Group Reorganizes

The first meeting of the Barrie Barn Dramatic Group was held Tuesday evening, when the group was reorganized. Ben Wolfe was introduced as director by the manager, Larry Heath. Productions of one-act plays will begin at once. Miss O'Neill and Mr. Massey will not be in charge, as formerly announced. There were a dozen prospective players present. Any interested in becoming a member may call Gypsy Heath, Narberth 3714.

Elected Smith Officers

The Smith College Club of Philadelphia, at its annual luncheon and business meeting Saturday at Whitman's, elected officers for the Main Line as follows: President, Miss Virginia Rugh, Cynwyd; vice-president, Mrs. P. D. Folwell, Merion; treasurer, Mrs. W. J. Williamson, Wynnedale; councillor, Mrs. George Mahl, Narberth, and director, Mrs. P. S. Sweetser, of Merion.

Local Movies

"Trail of the Lonesome Pine" is at Narberth

"The Trail of the Lonesome Pine" is at the Narberth this week-end, with Sylvia Sidney, Fred MacMurray, Henry Fonda and Spanky MacFarland. John Fox's best-selling story of mountaineers' feud, modern progress and love is screened in breath-taking beautiful technicolor.

Warner Oland is coming Wednesday in "Charlie Chan at the Circus," as thrilling and interesting as any of the famed detective series. Cash award will be at 9 P. M. as usual.

Thursday and Friday, Al Jolson will appear in Narberth in a delightful musical comedy, "The Singing Kid." Saturday "These Three" will be here, with Merle Oberon, Miriam Hopkins and Joel McCrea.

"Klondike Annie" Now at Egyptian; "13 Hours by Air" is Coming

Mae West... Victor McLaglen... "Klondike Annie"... Egyptian... now... C'm up n' see the melodrama... quite pretentious... and for adults, there's an appeal.

Saturday's 2.15 matinee feature is the Peter B. Kyne outdoor story, "Gallant Defender," with Charles Starrett, athletic new hero. There will be an interesting announcement for school children next week.

A different sort of melodrama is "It Had to Happen," at the Egyptian next Monday and Tuesday. The swift-moving, forceful story of the rise of an immigrant is excellently acted by George Raft, Rosalind Russell, Leo Carrillo, Arline Judge and Alan Dinehart.

"F-Man"—there's a fast, funny film! Coming Wednesday and (Bank Night) Thursday, it tells of a small-town youth who in his effort to become a "G-Man" in the big city captures a criminal—despite the fact he has been the butt of jokes perpetrated by men on the force. Cast includes Jack Haley, Grace Bradley, William Frawley and Adrienne Marden.

Fred MacMurray and Joan Bennett will conclude the week in "13 Hours by Air," adventure drama wherein mystery, suspense and comedy are nicely balanced with love interest. Good scenery and exciting action. Also on the program, Walt Disney's "Orphans' Picnic."

Merion Voters' League Hears Russian Progress

Mrs. Herbert A. Miller, wife of Professor Miller, of Bryn Mawr College, told about Russia Wednesday afternoon at the meeting of the Merion Branch of the League of Women Voters, held at the home of Mrs. John A. Lafore in Penn Valley.

Mrs. Miller in her visit there found Russia very pleasant and brought back an intimate knowledge of the Soviet Government and also the benefits received by the people. She discounted the idea that tourists were only shown what the Russians wanted the visitors to their country to see. She outlined the history of Russia before the Revolution, stating the peasants were extremely poor and illiterate.

In some of the cities, she said, one sees mainly the large numbers of social institutions, but in Leningrad the Soviet Government has preserved many of the palaces, and there one may find one of the finest collections of modern art in the world, as well as a number of old churches. In Russia the government is for the great mass of people, she declared, and the ideal of the young Russia is not "mine for me," but "ours for us."

At the short business meeting preceding the talk the minutes of the last meeting were read by Mrs. J. Bruce Ryall, and Mrs. J. B. Wells read the treasurer's report for Mrs. H. B. Maxwell, who is ill. Tea was served and the members spent an enjoyable time wandering through Mrs. LaFore's beautiful garden.

INSTALL GAS HOUSE HEAT

NOW...

without making a dent
in your vacation budget

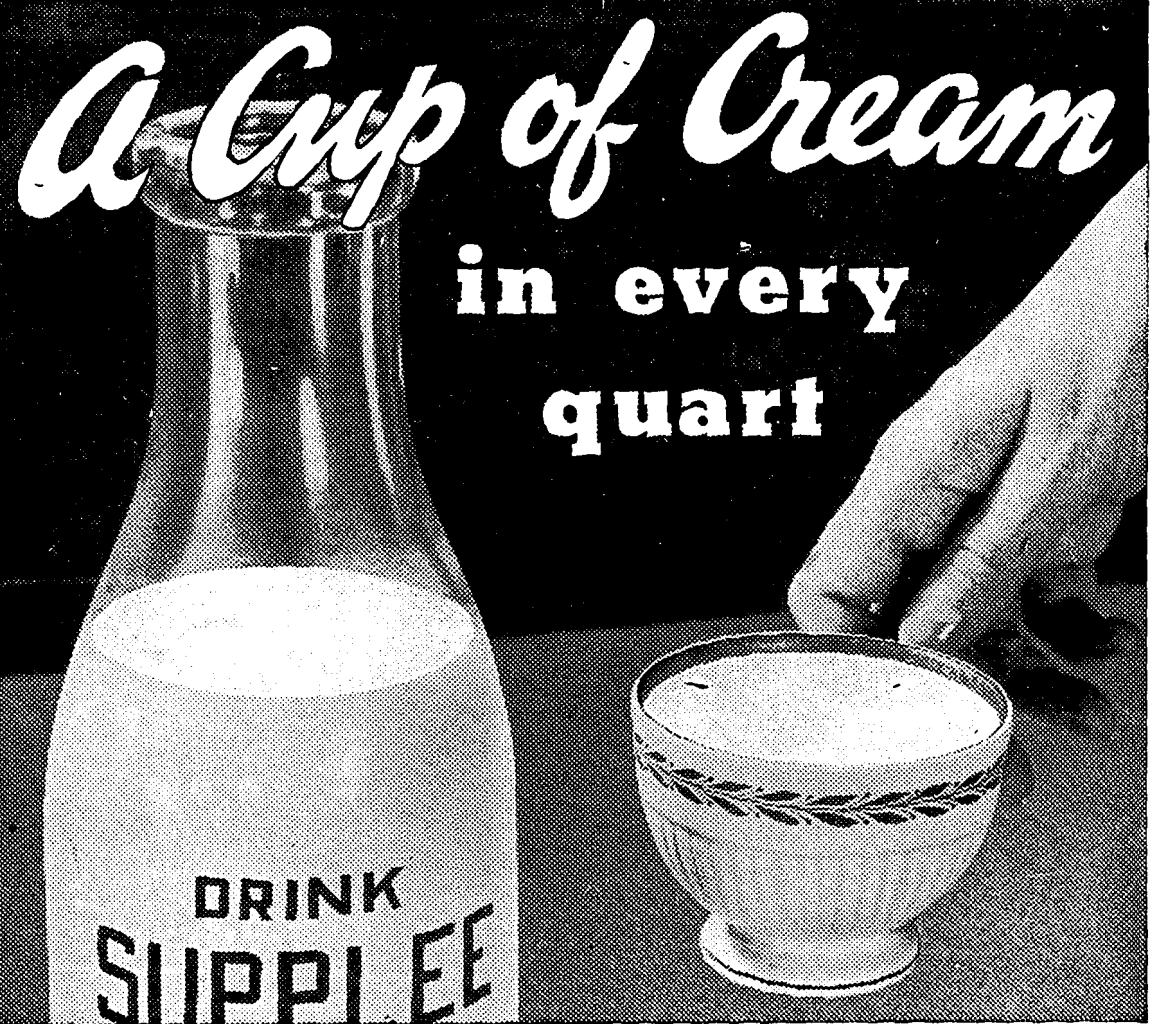

Vacation season is here! And all good families are planning and saving for the annual holiday. But in a few short months cold weather will be with us... with the familiar problem of house heat. It's wise to prepare now for temperature drops by having your present system converted into all-efficient, automatic gas house heat. And you can do this without disturbing your planned vacation budget.

We'll connect the burner immediately on a small down payment. Further payments don't start until October. Janitrol Conversion Burner at \$195 cash, installed; slightly higher on budget plan, 3 years to pay.

Let us make a survey (without cost, or obligation to buy) of your home, and you will learn how reasonable is the cost of gas heating.

It looks as if Norristown and Haverford will go under the wire nose to nose in the race for suburban baseball honors. Haverford has played an uphill battle to make a tie of the race, and if this column knows any baseball at all, the Cornog players have a shade over the Norristown boys in a series of games.

Lower Merion has Cheltenham scheduled for this afternoon, and Lard Cunningham, former Maroon player, has coached a splendid nine at the Old York Road school this season. He has a fine defensive team that will probably win today.

Don Vogts and John McIntyre carried the Maroon colors to two second places in the State track meet at State College last Saturday. Vogts was doomed to second place before the meet started, for the Ridley Park entry, one of the Smith boys, has been consistently better all season than has our Don. However, the work of the latter has been outstanding and his two records in the suburban area emphasize the fact. McIntyre might have won the half mile, and I believe that he would if the race had to be run over. The Bethlehem sprinter had more of a sprint than Sophomore Johnny reckoned on, with the result that he was nosed out by a hairline finish. Mack has the stamina and the fighting heart to outrun any half-miler in the Philadelphia area today.

The Lower Merion Junior High School won the District I, P. I. A. A. track meet at Norristown last Saturday afternoon. This was the third attempt of the local Leopards to snare that crown and after two close decisions the past two years, stepped out on the field and scored in all but two events. They snared six first places and one tie first place. George Thomas set a new meet record in the 75-yard dash, while Dick Wattles broke Cliff Roberts' former record in the hurdles. The 100-pound 440-yard relay team, also wearing the Orange and black, set a new record in the event.

Tom Brennan, of Ardmore, had two first places, the shot and discus. This was the seventh consecutive victory for the Junior High team with no reverses.

The Senior High team also went through the season undefeated, as the State championships are run on an individual performance basis rather than a team basis.

There is one more test for Drumm's boys, the Suburbans at Norristown tomorrow. This column picks the well-rounded Maroon squad as champions. What would we do without our Wheaties?

Boro Doubleheader for Memorial Day

Tough Breaks
another putout for Brennan. However, the lanky borough gardener lost it in the sun and it fell safe for a hit.

Monastero was tearing for the plate and Brennan let go with a desperate peg. The heave was wild, eluded Catcher Jack Eachus, and Monastero was across the rubber. Lynn Tarleckie then grounded out to second and Spellman pulled up at third. On the next batter, Bob Paist, Pitcher Jim McKee's pitch got past Eachus and Spellman ran in with what proved to be the deciding tally.

Thereafter Spellman and McKee battled their way through an interesting pitchers' duel. Several times Narberth threatened, but never was able to produce a hit when it meant runs.

At Coatesville Al Herrmann fought an uphill fight on the mound to defeat the Richardsmen. Coatesville scored all of its five markers in the very first inning as Entriken, first up, greeted Herrmann for a circuit wallop.

Mickey Gavin and Harry Fox poled home runs for the Narberth cause and Joel Rubincam, borough thirdsacker, spanked a double, triple and two singles in five at-bats.

The recognition Wynnewood troop received was for general excellence for

the past year under the leadership of able Scoutmaster Isaac Knoll. Camping efficiency, advancement in the ranks, civic service, good appearance and a steady improvement in the entire scouting program were the factors contributing to the acquisition of this much-coveted award.
